

KLS7-PS-003-22ABA-L

Technical Requirements

1. Appearance should be bright and clean after switch assembly, no scratch and hand feeling well.
2. Electrical Specifications:
Rated Value: 30V DC 0.3A
Contact Resistance: 50mΩ Max
Insulation Resistance: 100 MΩ min
Withstand Voltage: 250V AC
3. Mechanical Specifications:
Force: 2~6N
Durability: 1×10^4
4. Undeclared Tolerance for your reference
